A Letter from Our Founder

First things first: All of us at 1-800-Flowers.com® want to thank you for your hard work and creativity as we head into the busy Mother's Day weekend. We love supporting moms on their special day, just as we're dedicated to helping people share joy on every other day, and we couldn't do any of it without you.

To spread more delight on Mother's Day, our popular **Mother's Embrace™** mixed arrangement is now available in four sizes. Our team has also created several on-trend new arrangements suitable for just about any occasion. I especially like **Vibrant Meadow™**, featuring bold blooms in our new ceramic vase designed to resemble a floral wrap. The spectacular **Pastel Garden™** also uses that vase, which features a charming embossed bow.

We're honored and delighted that you've chosen to be part of our community. Here's to a blooming Mother's Day and beyond.

New & Noteworthy

MOTHER'S DAY

An extravaganza of colors and forms, the **Mother's Embrace™** mixed arrangement is a vibrant way to thank Mom for everything she does. The customer-favorite **Amazing Mom Bouquet®** is also back and better than ever. Both are available in multiple sizes to delight budget-conscious and spare-no-expense customers alike.

Those who favor pretty pastels will be enamored of the new **Lavender Sky™**, a dreamy, draping mélange of lavenders.

LATE SPRING

Our new **Modern Meadow™** arrangement spotlights the lush variety of a spring garden, with a dash of glimmer courtesy of our golden geometric vase.

Another new arrangement, **Dreamy Haze™**, contrasts soft peach and pink blooms with deeper purple flowers to make a dramatic statement.

SUMMER

Summer is definitely worth celebrating, and with its lively floral palette and equally colorful vase, complete with "Celebrate" in gold script, our **Celebrate The Day™ Bouquet** brightens any occasion. The aptly named **Garden Pathway™** is just as spirited; like a stroll amid a garden in full bloom, it's certain to lift spirits. Those who prefer the seaside will love **Pacific Drift™**, with hints of bright blue amid sandy peach and white.

ceramic vase designed to resemble a floral wrap, complete with an embossed bow. **Vibrant Meadow™** commands attention with its bold blooms; the pretty-in-pink **Pastel Garden™** hits a more romantic note. And speaking of romantic, the new and dazzling **Midnight Love™** is certain to sweep the lucky recipients off their feet.

EVERYDAY

Two of our new core everyday arrangements are presented in a new white

1-800-Flowers.com® PERFORMANCE STANDARDS

At 1-800-Flowers.com, we're committed to delighting customers—and the BloomNet® network plays a vital role in creating memorable moments through timely, high-quality deliveries that meet or ideally exceed the customer's and recipient's expectations.

To protect the customer experience and maintain trust, all fulfilling florists are expected to meet the quality and performance standards outlined below. Meeting these expectations not only supports customer satisfaction—it can also help your shop reduce the number of customer complaints that result in cancellations and receive more orders over time. Consistently falling short of these expectations may impact your eligibility to continue receiving 1-800-Flowers.com orders.

WHAT DRIVES CUSTOMER SERVICE ISSUES

Customer Service Inquiries (CSIs) result when a customer has an issue with their order. Common causes include:

- The order is delivered early, late or not delivered at all
- The wrong item is delivered, or parts of the order are missing
- The arrangement doesn't match the quality or appearance the customer expected
- The customer doesn't receive a timely delivery notification and is unsure about the status of their order

These types of issues lead to complaints and non-payment—and directly affect your shop's performance score and order eligibility.

Most CSIs can be prevented by following the order acceptance and delivery expectations outlined below.

ORDER ACCEPTANCE EXPECTATIONS

All orders must be filled to value, according to the product description, price, and published recipe as outlined in the Design Resource Guide. Price changes or requests for additional funds are not permitted on 1-800-Flowers.com orders.

Shops are expected to maintain sufficient stock of both floral and non-floral components to fulfill 1-800-Flowers.com® orders to recipe, and to service all zip codes in their delivery profile through the daily cutoff time (or until the shop self-suspends).

While we recognize that rejections may occasionally be necessary due to unforeseen circumstances, they should be the exception. If a rejection is absolutely necessary, it must be submitted as early as possible. Delayed rejections can result in service failures, impact your CSI rate, and result in fees in accordance with the BloomNet's Timely Reply Program (found in BloomLink® under Utilities > Standards & Guidelines).

If necessary, send an INFO Message on the order via BloomLink to keep us informed of any issues or changes. Proactive communication helps reduce complaints and improves outcomes for both you and the customer.

DELIVERY EXPECTATIONS

Delivery Handling & Professionalism

- **Handle with care:** Store and transport arrangements in temperature-controlled conditions. Protect from heat, cold, or moisture.
- **Deliver professionally:** Drivers should be courteous, respectful, and follow location-specific delivery rules.

Real-Time Delivery Notifications

Customers expect to know exactly when their order was delivered—or if a delivery attempt was made.

- Submit delivery notifications immediately after the delivery is completed or attempted.
- Never submit a delivery notification prematurely. Submitting a delivery notification before the delivery is actually completed or attempted can confuse customers and lead to customer service issues.
- Include clear delivery notes when possible (e.g., “left with front desk,” “handed to recipient”).

Delivery notifications should always be sent immediately after a delivery has been completed or attempted, and no later than:

- 7:00 PM for residential deliveries
- 5:00 PM for business deliveries
- 1 Hour after the end-time of a specified Delivery Time Window
- 1 Hour after the scheduled time of a Funeral Service

PHOTO PROOF OF DELIVERY

A valid photo proof of delivery is now required for all 1-800-Flowers.com® orders. It provides transparency, protects your shop, and helps prevent disputes. Find guidelines on acceptable photo proof of delivery in BloomLink® under Utilities > Standards & Guidelines > Photo Proof of Delivery Guidelines. Orders without valid photo proof are significantly more likely to result in CSIs and can result in cancellations.

BloomNet® provides multiple tools to help you meet delivery expectations with ease:

- **Route4Me (for BloomNet Management System users):** Optimize routes, capture proof of delivery, and navigate efficiently
- **BloomNet Driver App (for shops on other POS systems):** Capture photos, submit confirmations, and reduce errors
- **BloomNet Delivery Service:** Request trusted delivery services directly through your BloomNet Management System

HOW PERFORMANCE IS MEASURED

We track a few key metrics to monitor service quality and ensure consistency across our network. These are updated monthly and available under the “Utilities” tab on BloomLink.

Shops that consistently meet expectations remain eligible to receive 1-800-Flowers.com orders—and often see increased order volume over time. Shops that regularly fall short may face a reduction in orders or suspension.

METRIC	TARGET
Customer Service Inquiries (CSIs)	<1.5% of Total Orders
Order Rejections	<2% of Total Orders
Orders Accepted with No Price Changes	100% of Total Orders
Real-Time Delivery Notifications with Valid Photo Proof of Delivery	100% of Total Orders

STAYING IN GOOD STANDING

Meeting these standards consistently strengthens your shop’s eligibility to continue receiving 1-800-Flowers.com orders—and opens the door to increased volume and long-term growth.

Note: 1-800-Flowers.com Order Fulfillment Standards are subject to change. Visit the Utilities Section on Bloomlink for the most up to date version of the 1-800-Flowers.com Order Fulfillment Standards.

1-800-FLOWERS.COM® | SUBSTITUTION

By working together to Deliver Smiles, we can help meet our customers' expectations and bring more orders into your Shop!

1-800-FLOWERS.COM® provides its customers with a 100% Smile Guarantee. In order to consistently meet and exceed customer expectations, our Florists Relations Team closely monitors the fulfillment of 1-800-FLOWERS.COM orders to ensure that **1-800-FLOWERS.COM Quality and Performance Standards** are being consistently maintained. (See the BloomLink® Utilities Tab, **"1-800-FLOWERS Quality Performance Standards"** for complete details.)

Today's online consumers expect that their recipient will receive a gift that resembles the product that they ordered as advertised. To meet this expectation, BloomNet® Florists fulfilling 1-800-FLOWERS.COM orders are required to maintain adequate inventory of the floral varieties and containers for our featured arrangements, as detailed in the **1-800-FLOWERS.COM Design Resource Guide ("DRG")**.

If you do not have a recipe component needed to fulfill an order for a 1-800-FLOWERS.COM product, as specified in the DRG, you have two choices: (1) Substitute the required items following the guidelines set forth in this document; or (2) Timely Reject the order.

Should you decide to proceed with a Substitution, please ensure that the components are as similar as possible and always of equal value, and keep in mind that Substitutions may result in a Customer Service Issue (CSI) if the customer is not satisfied with the resemblance of the delivered product with the product that was ordered. If you do not have the appropriate item to make a Substitution, you may choose to Reject the order instead. In either case, please remember that both Customer Service Issues (CSI's) and Rejects are closely monitored as part of our 1-800-FLOWERS.COM Quality Assurance Program.

Please take a moment to review the **1-800-FLOWERS.COM Substitution Guidance** below and the suggested substitutions provided on individual recipes throughout the 1-800-FLOWERS.COM Design Resource Guide ("DRG"). PLEASE NOTE, an electronic version of the most recent **1-800-FLOWERS.COM Design Resource Guide** is located under the Utilities Tab on BloomLink.

- Maintain overall shape, size, and style of the arrangement.
- Maintain shades and color combinations of the arrangement.
- Utilize similar type flowers (e.g., spike for spike, round for round). Substitutions should be of equal value.
- Prioritize variety over color in single variety arrangements.
- Use containers listed in the Design Resource Guide, paying particular attention to style and color.
- Never substitute Codified Products, unless you've received the express consent of 1-800-FLOWERS.COM.

To support the successful fulfillment of 1-800-FLOWERS.COM orders, please make sure to communicate to us any Substitutions made on an order by sending an INFO message with the details of the Substitution, and then immediately proceed with the delivery of the order. It is not necessary to send an Inquiry message and/or await a response regarding your Substitution prior to proceeding to deliver the order.

The details from your INFO message will assist the 1-800-FLOWERS.COM Customer Service Team in responding to any customer inquiries and hopefully avoid a Customer Service Issue (CSI).

Should you decide not to or are unable to make a Substitution on the order, please Reject the order in a timely basis and in accordance with the BloomNet Timely Reply Program. (See the BloomLink Utilities Tab "BloomNet Timely Reply Program" for complete details.)

As a helpful reminder, if your Shop is out of stock or unable to secure inventory for the floral varieties and containers needed to fulfill 1-800-FLOWERS.COM orders according to DRG recipes, you can opt to temporarily suspend your Shop from receiving 1-800-FLOWERS.COM orders until you are able to re-stock the necessary components to fulfill 1-800-FLOWERS.COM orders. (See the BloomLink Utilities Tab for instructions on HOW-TO Self-Suspend BloomLink.)

We're here to help! Should you have any questions, please contact BloomNet Customer Service at 1-800-BloomNet (1-800-256-6663), customerservice@bloomnet.net, or via chat at www.bloomnet.net.

Thank you for your dedication as a BloomNet Professional Florist.
